PERSPECTIVE VIEW

POLIGON offers two Dugout shelter models, center column (DUG-CC) and offset column (DUG-OC). They are available as modular units. Integrated bench

seating, with or without back rests, is an option on both models, and is available in all three lengths. Benches are made of Durawood, a recycled engineered plastic lumber.

BEN-I, INTEGRATED BENCH

BEN-F, FREESTANDING BENCH

BEN-FB, FREESTANDING, BACKLESS BENCH

BEN-P, POST-MOUNTED BENCH

Benches

Benches are now available in four styles; the integrated bench that is made to fit between the columns of a POLIGON shelter, a freestanding bench, a post-mounted

bench, and a freestanding backless bench. They are available in lengths from 4' to 10' in one foot increments. Optional arm rests / sleep guards can be added.
